I object to policy W4 Brooklands Farm.

The reasons for my objection are;

Traffic will significantly increase, which is already too much for the current roads in the area. So many roadworks happening to maintain the roads to an acceptable standard already, this will only compound the issue.

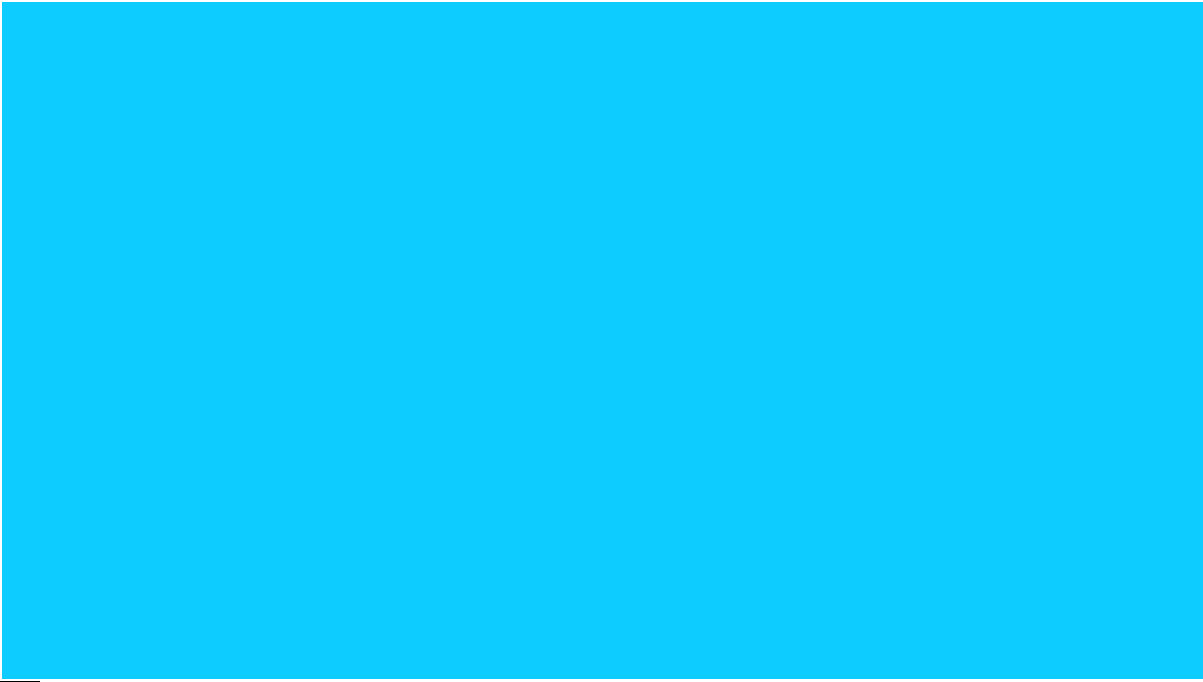

Health Services, School Placements, and Sewage spills into the sea; are already appallingly overstretched, and this development will make these so much worse, amongst other things.

This rural land should be protected from any further expansion. Loss of more agricultural landscape, and Biodiversity must stop.

Thank you

Richard Chellingsworth
