I am writing this to inform you that I OBJECT to the proposal to build more housing at Brooklands Farm ,Whitstable

My reasons are.

- 1/ my beloved Whitstable is being ruined by the vast amount of new housing being built
- 2/ every house will have a toilet, shower ,washing machine, possibly a dish washer etc, which will result in more demand for water, electric, gas
- 3/More cars on our local roads ,resulting in more pollution, traffic jams etc
- 4/All waste water, sewage, surface water will result in more being dumped in our sea
- 5/Local schools will be unable to cope with the mass influx of more pupils .
- 6/Health care, Whitstable Medical Practices would not be able to cope with more and more patients resulting in GPs .nurses to resign

With no A&E at Canterbury more pollution going to Margate or Ashford.

The list is endless so stop this suicidal mission to keep building new housing estates in and around Whitstable.

ENOUGH IS ENOUGH
