I am resending my e-mail as the other one did not give my e-mail address.

I STRONGLY OBJECT TO THE HOUSING PLANS FOR LAND AT BROOKLANDS FARM.

My Reasons:

Shame on you wanting to build houses on Agricultural Land.

Increased Pollution of the sea with sewage

Our roads cannot take the amount of cars now and this will increase causing traffic at a standstill, plus pollution.

Flooding which has always been a great concern in the area.

GP Surgeries you cannot get an appointment now the same applies to Dentists

Our area is overdeveloped already.

You have turned Whitstable into a concrete jungle.

I would also like to ask "Where is the invisible Rosie Duffield" who should be fighting overbuilding in our area?
