Dear Sir, I object to the proposed plans to build 1400 new homes off South Street Whitstable plus a new junction on the A299 New Thanet Way linking to Chestfield Road and South Street. These proposals will cause a huge increase in traffic and already stretched local resources and services. I object also to the possibility of losing even more countryside that we cannot afford to lose as open spaces and wildlife are so important to our lives and good health. Save our town as we know it !
