I would strongly like to register my OBJECTION to the proposed plan to build on the land where the above farm now is. For all the very obvious reasons already stated not least the traffic on Millstrood Road. With the advent of a few thousand more cars from the old Thanet Way construction site this road is becoming a death trap, the road humps have no effect whatsoever and the chicanes that preceded them which were abandoned at great expense to us taxpayers, caused many an accident just by being there . Anyone in their right mind can see the whole scheme is ludicrous
Please do the right thing and disallow these plans

Mel Bashford
