Subject: I object to Brooklands Farm development

Dear Sir/Madam

I OBJECT TO BROOKLANDS FARM DEVELOPMENT.

I am writing to lodge my objection to further development of our Green spaces around Whitstable on the grounds that the local infrastructure is already totally inadequate for the number of homes it purports to support.

Before anymore development happens the roads need a huge improvement and the issue of sewage in the sea needs to be radically addressed. These are fundamental Health and Safety issues and the Council has a duty of care to us all.

There are also a great many other issues and implications that will impact the whole area but Health and Safety should and must be a mandatory priority.

Yours sincerely
Paula Horan
