Dear Canterbury City Council

I object in the strongest terms to the proposed development of Brooklands Farm, for these reasons:

- a) This is yet another development of a greenfield site in the Whitstable area in recent years. Our open spaces are being eaten up, never to return
- b) The current infrastructure provision (schools, sewage, medical centres, swimming pools, recreation, parking etc) are clearly insufficient for the existing population, let alone the estates currently under construction, let alone (squared!) the proposed developments

Yours Sincerely

John Langham [REDACTED]
