Good Morning

### **OBJECTION TO DEVELOPMENT OF BROOKLANDS FARMLAND**

Regarding Brooklands Farmland & the potential development of this land, which would mean building possibly over 2000 houses on this land, I would like to say that I absolutely think Canterbury City Council have gone mad. You are building on any available piece of green land, empty space or corner & by doing so you are destroying Whitstable & the surrounding area.

I absolutely OBJECT TO THIS DEVELOPMENT TO BROOKLANDS FARMLAND. Whitstable does not need more traffic on the roads, more sewage into the sea, more pollution. More importantly it will mean LOSS OF WILDLIFE & ITS HABITAT, LOSS OF MORE COUNTRYSIDE/AGRICULTURAL LAND

Plus it is all very good building more houses/apartments, but YOU are not building MORE Doctors Surgeries, Schools, Hospital or Dentists to help relieve the stress & pressure on services that already exist & will just about cope (though I'm not positive about it!) with the current level of new builds (along the Thanet Way & near The Long Reach), more families/couples that will move into these new builds.

NO TO THIS DEVELOPMENT OF BROOKLANDS FARMLAND

Thank You  
Wendy Silk
