To Whomnit may Concern,

I completely object to Policy W4 Brooklands Farm proposal for planning.

Chestfield is a village and will no longer be, putting it into flooding / over crowding/ car traffic and lack of facilities for the young and old.

Why on earth would we build on this area when there is less and less places to walk around which do not involve walking around other peoples houses and looking in on their sitting rooms.

I would much prefer to take my dog where it is still a beautiful view overlooking the green of Brooklands Farm not houses!

Regards
