I OBJECT to the proposed Brooklands Farm Development on the grounds that it will create more houses / people which in turn will result in an unacceptable strain on the current less healthcare facilities and dentists within the immediate area.

I ALSO OBJECT to the proposed Brooklands Farm Development on the grounds that it will create more traffic and increased pollution and more flooding within the surrounding area.

I Finally Object to the proposed Brooklands Development on the grounds that it will create a loss of Whitstable's precious countryside and loss of wildlife that are reliant on this associated countryside.

Kind Regards
Mr & Mrs Daley
