I am sending my objection to the proposed development of Brooklands Farm .

As a long term resident to the Chestfield area and living in Radfall Ride which looks across the open farmland to the sunsets in the Thames estuary - I get fed up with you bunch of bureaucrats sitting in your gilded offices and obviously living in houses away from any proposed developments and expect us mere mortals to suffer for your often poorly considered opinions.

Do the real thing and kick this stupid into touch and leave the local green belt alone so we can enjoy it for the future.

Cheers
