

Dear Sir or Madame

I strongly object to the planned Brooklands Farm Development for the following reasons —

- 1) Overdevelopment in the area, there are already 1,400 houses being built in the area.
- 2) Increase in sewage which ~~our~~ current system is already beyond capacity
- 3) High increase in Traffic. It is already extremely difficult to get onto Thane Way from Tankerton
- 4) Inefficient infrastructure including Doctors, Hospitals and Dentists.
- 5) Impact on the Whitstable/Tankerton area of traffic, wellbeing and noise pollution.

Yours very sincerely

MR. STEPHEN HILL
