To whom it may concern. I OBJECT to the proposed development at Brooklands Farm. Kent is FULL !! I understand developers can charge more for houses built in the South East as apposed to further up the country, houses cost the same to build wherever they are built but they are double the price here in Kent. I have lived in Whitstsble since 1965 (moved here with my parents as a nine year old) and have seen many changes, some good some bad. Recently the roads have been so busy, it's takes ages to get appointments at Doctors etc and that is before an extra 2000 houses at Brooklands Farm. We already have a huge new estate on the Thanetway + more to come I have been told, how are the local schools going to cope ?? Faversham has seen a huge building programme and Birchington will be next we will be OVER RUN !! Please Please !! Enough is enough.
