Dear Sir/Madam,

I would like to object to the above proposal at Brooklands Farm on the basis that it is an unnecessary urbanisation on prime agricultural land that will bring associated

traffic congestion and added pressure on already stretched Health facilities and Educational provision. The last thing that Chestfield Road needs is extra thousands of

cars per day travelling towards Whitsable and adding to the extra congestion at the roundabout that will also have to deal with the increased volume of cars coming

from the Grassmere gardens development. All in all it is a poorly thought out project and it should be scrapped.

Yours faithfully,

Hugh Churchyard
