Hi Victoria,

think this is the same email address to object the Brooklands farm proposed housing too? Can you please ensure I am registered as objecting to this development.

I object to anymore housing in and around Whitstable due to the comments mentioned below, are there any others that I should specifically say no to please?

Best wishes,
Abbie

Subject: No to Whitstable Town Council

Dear CCC,

I want to ensure my vote against a separate town council for Whitstable is recorded please. I can't

see any value it would add for us residents and it would increase our council tax.

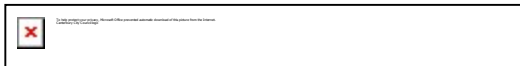

I am also incredibly concerned about the numerous new housing developments and further proposed housing estates to be developed. Our roads are struggling with capacity and pot holes already, along with not having adequate measures to dispose of human waste responsibly for the residents we currently have let alone increasing the population.

If there are links/forms to oppose all the potential new developments I would like these to be forwarded to me please.

Kind regards,
Abbie Kay
