I object in the strongest terms to the proposed Brooklands Farm development for the following reasons:-
Too much land is being lost to new housing which will further diminish our wildlife and ecosystems. Our traffic situation is already far too busy with even more pollution being generated. Our schools, surgeries and dental practices are already insufficient and we can expect more flooding and sewage dumping in the sea if this irresponsible development goes ahead.

I implore you to rethink this lunacy if Whitstable is to remain the wonderful place it is.

I remain yours faithfully

P France

Seasalter.
