# I OBJECT

TO THE BROOKLANDS FARM DEVELOPMENT

We do not need any more houses in the area. Who would gain ? Canterbury City Council and estate agents.

Insufficient infrastructure. The roads and pavements around desperately need some money spent on them before thinking of any more building.

There would be more traffic in an already crowded space.

Sewage would be another problem.

What about healthcare. Hospitals, Doctors ,Dentists are already under pressure.

The drains already work overtime, when it rains heavily causing flooding in the area.
