Subject: Land at Brook lands farm

Martin or who it may concern

I would like to state that I Strongly object to Policy W4 Lands at Brook Lane Farm

We already have so many house being built in this area with more to come wh3n the properties are built behind Church Lane, Seasalter.

It is unbelievable the amount of properties the council have agreed to. The I fracture is not good, there was mention of a new school but that is not enough, what about our health service doctors, dentist and hospital. The waiting time for everything is so long and will only get worse with more properties being built. There is also the problem of sewage we can't cope with it now and more concrete instead of fields will cause more flooding. Then there is the extra traffic there is enough trouble already on the roads without more adding to it.

Please listen to everyone we don't want this to go ahead we need to keep our agricultural land to supply us with local food, rather than bringing it in from abroad.

Mrs D Berry
