Dear sirs

I write to lodge my objection to the above development in Whitstable. It is not sustainable to create this additional housing, there is going to be an adverse environmental impact, there is no expansion to necessary infrastructure in terms of roads, drains, schools and health services to accommodate this increase and traffic is already too much with regular queues to enter the town from the M2 and congestion on the by pass growing all the time.

Please acknowledge receipt of this objection notice.

Regards  
Alex Hare
