To whom it may concern,

Good afternoon,

I wish to make it known that I object to Brooklands Farmland being developed for housing, as it will cause so much more traffic on the Whitstable to Canterbury road.

This in turn will increase pollution, will also result in lots of wildlife, & loss of agricultural land.

I am concerned about healthcare facilities as there will be extra pressure on local dentists and doctors.

I am also concerned about more housing leading to more sewage, which is currently pumped into the sea and more demands on our water supply, which can't cope as it is.

Kind Regards

Eleanor Pain
