I am writing to say I object to the proposal to build at Brooklandsfarm development.  
The reasons for my objection are obvious by now. There simply aren't the facilities in place to accommodate this, I myself waited for a considerable time for a dentist. The proposal for more houses will encounter problems of an obvious nature.  
More sewage being pumped into the sea and local rivers as a result.  
More pollution as a consequence of more vehicles. More flooding also as a result of overbuilding.  
The loss of the beautiful countryside.  
The affect on wildlife and agricultural land.  
Sorry but I do strongly object to this proposal.

Regards Bob Pearse
