To whom it may concern

Object to the the above Brooklands Farm development

I am a Whitstable resident, we are currently seeing large developments along the Old Thanet Way which will have an impact on the already stretched infrastructure of our town.
Adding in the huge size of the proposed Blean development would completely over develop our lovely town for the following reasons:
Overdevelopment
Flooding issues
Our already over capacity sewerage system - how much more effluent will be discharged into the sea?
Massive increase in traffic
Healthcare? We already find it difficult to get a doctors appointment
We should not be building on farmland, we need as much green space as possible to sustain our current residents.

Regards
Isobel Harries & Deia Harries
