To whom it may concern,  
I strongly object to policy W4 land at Brooklands Farm.  
I would like it recorded that I am strongly objecting to the proposed development at Brooklands Farm.  
I am already concerned about the strain on infrastructure in and around Whitstable, and feel that all the house-building already underway will push things over the edge. The Brooklands Farm development is unnecessary and will destroy essential green space. I am particularly concerned about volumes of traffic, strain on public services, like schools, GPs, and dentists, and potential issues with flooding and water pollution from sewage leaks.  
Mary Crockatt
