Re: Objection to Site C12 in the draft Local Plan

Name: Laura phillips

Address: [REDACTED]

As a resident in the area I fully object to the draft Local Plan, Site C12 based on:

- 1) the impact on the local environment and wildlife
- 2) increased traffic and pollution levels in a small rural area
- 3) the destruction and relocation of an outstanding primary school which will be extremely disruptive to children's education.

I would like to kindly request that you find an alternative site for development in the area.

Yours sincerely

Laura Phillips
