- What is your complaint about? New proposal to turn Canterbury Into zoned areas
 - Tell us why you're complaining I have heard on the TV and Radio that Canterbury Council has plans In place to basically turn the town Into a virtual No Go area for Cars Zoning It Into 6 areas and fining drivers for driving Into the wrong areas - Well this fills me with dread as Its So Wrong on every level...No council has the right to take away peoples god given right of free movement - It goes without saying that people are going to be very angry as the last time I looked, I was living In Britain and not Communist China!
 - Would you like a response? Yes
