Hi

FYI - not all Local Plan but if we can weave in comments that would help.

Hi Beatrice,

Many thanks for letting me know.

I'll pass your comments on to Matthew so he can feed that back to Andrew and Louise who will be attending to talk about the Local Plan in case you're unable to join.

Best wishes,
Annabelle

I hope to join briefly at the start on Googlemeet.

However, if life gets complicated and I can't, what I wanted to note is that

- 1) People with Parkinson's are massively disadvantaged by the change to blue badge parking from 3 hours to 2 hours. Sometimes it can take 20 minutes/half an hour to get in or out of a car, to wheelchair or walker,

leaving very little time for doing anything in town.

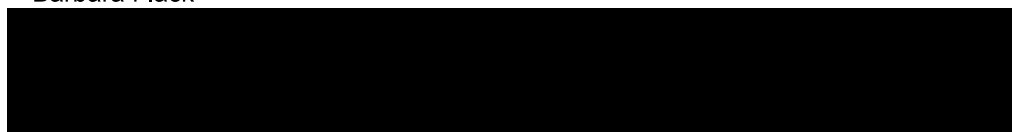

2) the cancelling or reducing of bus services (the one I know most about is in Rough Common) meaning that people who depend on them for transport are now only able to travel with the Kent Karrier - less frequent and also expensive. The elderly in Rough Common cannot walk as far as the end of the road where it meets Whitstable Road, or down Palmars Cross Hill where the bus service (from and to Maidstone) is very unreliable (we had a bus recently that was 25 minutes late) and there isn't a seat to rest on at the bus stop.

3) Long term: Will there be any exceptions to fining for travelling between zones under the local plan for blue badge holders? Access to the hospital would be very difficult/expensive for many, as would reaching other helpful destinations, if not!

Best wishes,
Beatrice (Chair Parkinson's UK Canterbury and District Branch)
