To all concerned,

I find it necessary to write to you to express our objection to the draft local plan and in particular to the changes proposed to Rough Common Road. The covert wording in the proposal appears to be deliberately fague and attempts to slip under the radar of villagers.

Whilst we understand and appreciate the need for an outer ring road to take traffic away from the City, your proposal will destroy the villages of Rough Common and Harbledown.

The plan is ludicrous and if pushed through will just add to the catalogue of half measures the planning department have presided over since the 50s.

Yours

Chris and Sarah Hardy
