Our Parish Council tells us you want to widen Rough Common Road ( HOW?) and fine us for visiting the City.

I'm a volunteer deliverer of meals on wheels, this will cease to be a possibility. This is a very bad idea. You will kill this city it is dying already. Why should we pay to park in the City when we can go to Westwood Cross and park for free.

Good afternoon Ms Burge,

Thank you for your email. Have you completed our online questionnaire?

This is not a requisite method of responding to our consultation and I am happy to ensure that your above email is considered as part of the consultation process (as a written representation). However, should you wish to respond to specific parts of the draft Local Plan, I would advise doing this via our survey. I have attached a PDF of this should you wish you print it and complete it by hand,

Please let me know if I can be of any further assistance.

Best wishes for the New Year.

Kind regards,

**Victoria Asimaki**
