Hello,

I have just heard about the plans to build 2000 houses on the land by the Wincheap allotments/orchards and I am shocked and appalled that this is even under consideration. This green space is an integral part of the Wincheap community, and a refuge from the busyness of the residential streets beyond. It is a haven of natural life and would be an absolute disgrace to destroy this to profit on the sale of the land to build on it.

I hope that the plans will be halted immediately.

Thank you,
Laura
