Dear Sirs

I have just found out about the proposal to build a large housing estate on Brooklands Farm.

I feel the proposal will affect the already overcrowding of housing estates around Whitstable.

The Thanet Way for me is difficult to get onto from Castle Road to Church Street. I now have to approach the Thanet Way from the Tesco round about in order to get on the road either left or right. Whitstable is becoming too congested.

I object to the proposal strongly.

Kind regards

Ann Farrelly
