Dear Sirs,

I strongly OBJECT to the Draft Local Plan to build a huge estate on Brooklands Farm.Myself and my family we live at  which is exactly next to the field of Brooklands Farm.

Our reasons are:

1. Loss of our green landscape forever
2. Loss of more agricultural land
3. Years of Building work, Noise, Traffic, Heavy Goods Vehicles etc
4. Increase in sewage that our current system cannot cope with
5. More sewage pumped into the sea
7. Potential increase in flooding with drainage issues already a problem. This field next to our house is flooding when heavy rain
8. Higher demand for water (already a shortage with hosepipe ban)
9. Increase in traffic pollution
10. Increase in noise pollution
11. Introduction of light pollution (where once the sky was dark enough to see stars)
12. Thousands of extra vehicles on surrounding roads

Please stop the development on Brooklands Farm.

Sincerely,

Felix Chennery
