Brooklands Farm

To Whom it may concern

I would like to strongly object to planning to build a huge estate on Brooklands Farm. There seems to be a development on every piece of green open land, what will happen to the wildlife? Once the green space is gone it will be gone forever.

We already have a massive sewerage and water problem in the area. The roads are a mess, and we aren't able to go into the town at the weekend as it is already so busy. Adding so much extra housing is only going to add to some serious problems the area already has. I plead with you to reconsider.

Yours sincerely

Natalie Miles
