To: "consultations@canterbury.gov.uk" &lt;consultations@canterbury.gov.uk&gt;

I write to register my strong objection to Policy C7 - Land North of Hollow Lane.

The building of the estate between New House Lane and Cocking Road promised an environmental barrier between the two.

To propose a link road and community hub on this land is to renege on this agreement.

This land is an essential barrier to maintain the quality of life that the residents of New House Lane moved there for.

I oppose this suggestion in the strongest possible terms.

Bonnie Tillotson
