To whom it may concern

I am writing in regards to the EMC which has a direct effect on myself and my family as the planned route goes through the families horse field by on Stodmarsh Rd.

If this grazing land is lost it will mean my family horses and I can no longer spend the summer with my ageing parents who have both had strokes and are likely to need further care in the future, so please reconsider you proposed plans for the bypass there.

Kind regards
Tamsyn Peakman
