Good afternoon

Please find attached a petition to Save Chartham's Green Fields, specifically Policy R7 and R8 of the Draft Local Plan which includes an allocation of around 170 houses in site R8 (left of Rattington Street, behind The Crescent).

This petition was signed by 419 people in total, 137 of whom are local residents of Chartham and Canterbury. I have pulled their details from the petition online and included their postcodes to evidence their locality and therefore their interest in this particular site.

I have also pulled the petition comments received and attached separately.

If you require the link to the actual petition you can find it [here](#).

Please submit this before the deadline for comments, today, 16 January 2023 at 5pm.

Kind regards

Jane Lacey
