To: "consultations@canterbury.gov.uk" <consultations@canterbury.gov.uk>

I have recently read an article in the local newspaper under the heading " Canterbury City Council unveils scheme to ban drivers moving between new neighbourhoods"

I object to this proposal as I believe the congested roads in the area are due to the extensive house building approved by the City Council. If such a scheme is implemented, it will be very difficult to attend hospital appointments particularly when the first bus in the village is 09.30
