COLIN LUETS

13-1-2023

Apart from the loss of valuable farming land and also green spaces for people and wild animals to enjoy.

The local services are stretched to the point where i.e.:- I had to wait two weeks to get a telephone doctors consultation. I am waiting for an operation (cancelled once) can the hospitals cope with any more from this housing project.

Canterbury Hospital AandE was closed while the transient student population increased.

Stop Brooklands Farm development

Yours Sincerely,
