Dear Victoria

Many thanks for allowing us to make a late submission.

We are writing on behalf of a community group, Friends of West Cliff Bank.

West Cliff Bank is a council owned piece of land adjacent to West Cliff, Whitstable, abutting the golf course.

Here is our comment:

Section 3 Whitstable

Policy W3 – Whitstable urban area

Point 8

"...The Swale, Thanet Coast and Tankerton Slopes Sites of Special Scientific Interest, Seasalter Levels Local Nature Reserve and The Duncan Down and Convict's Wood local wildlife sites will be protected for their ecological value and enhanced where appropriate."

Comment: Add *West Cliff Bank* to this list.

Note: the council has recommended to KCC that this area be designated as a village green (Policy Committee, 10 November 2021, item 367)

Kind regards

Caron Jones and Ian Millichap on behalf of West Cliff Bank Executive Committee
