Subject: Planning

Dear Sir/Madam,

I would like to object to the planning application for Brooklands farm, South Street, Whitstable:-

- 1) I feel that good grade farm land should be kept for farming, even if this means diversifying into other farm use eg alpaca, llama or crops etc. This would enable the 'green lung' to continue for the benefit of the local residents.
- 2) I feel there is insufficient infrastructure now re sewage, without putting further strain on the system. The local sewage outfall has made Swalecliffe and Tankerton beach the most polluted in Kent.
- 3) Drainage in general is poor in the village, without putting additional strain on the system.

Regards,
Jacquie Webber
