Good afternoon

I'm writing to object to the proposal in the Canterbury plan to build on this important green area in Thanington.

The area is a rare green space and outdoor place for this deprived area, and in addition is important for the users of the Thanington Resource Centre.

The proposal to use this for a park and ride seems to ignore the needs of the community at Thanington, and indeed I understand that a previous proposal to do the same was rejected.

Please do not proceed with this.

Yours faithfully  
Claire Slater
