Dear Sir/Madam,

I write in response to the question: do you have any comments on the proposed deletion of land north of the University of Kent (Policy C12)?

I agree with the deletion of the policy C12 from the local plan and endorse the technical reasons given for the change, including the impact on the road network, the destruction of the ancient woodland, and the cost-effectiveness of demolishing Blean primary school. I believe the same objections would apply to any possible future proposal for a large development in this location.

Thank you for recognising the concerns around the proposed development.

Regards,
Richard Eyre
