Dear Sir

I am responding to the following question: Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12).

I agree whole heartedly with the removal of policy C12 from the Local Plan due to the destruction of much ancient woodland, the effects on the local road network and the needless demolishing of Blean Primary School. These and many other objections would apply to any future large scale development in this location.

Regards

Keith Flower
