I wish to respond to the following question regarding the new Canterbury Council Local Plan:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I agree with the proposed deletion of Policy C12 from the local plan. I agree with the technical reasons given for the change (impact on road network, destruction of ancient woodland and cost-effectiveness of relocating Blean School) and believe that the same objections would apply to any possible future proposal for a large development in that location.

I am pleased that councillors have listened to the concerns of the local community. Thank you.
