Dear Canterbury City Council,

**I am writing to express my strong opposition to proposal N3, which suggests converting Thanington Recreation Ground into a Park and Ride facility.**

**Thanington Recreation Ground is our community's only green space. It is a vital place for local residents to enjoy the outdoors, exercise, and meet with friends and neighbours. Taking this away would leave Thanington with no public green area at all, which is unacceptable for a growing community.**

**Additionally, traffic is already a serious problem in our area. The extra vehicles that a Park and Ride would bring will make congestion worse and increase noise and air pollution, putting further strain on local roads and impacting residents' quality of life.**

**I urge the council to reject this proposal and find a more suitable site that does not remove our only green space or worsen traffic issues for the people of Thanington.**

Kind regards,  
Savannah knight
