Hello,

Canterbury City Football Club have been consistently ignored and neglected by Canterbury city council and now you're going to make matters worse with this park and ride.

How about some support for your local Team?

Absolutely disgusting that the council have made it so hard for the club to exist or survive post the greyhound track being demolished in the 90's.

I ask you in return, if we can get a team of investors behind canterbury city, can you help Canterbury city fc to actually be able to compete.

I imagine you will ignored this email.

Best,
Ethan
