To whom it may concern

I would like to add my comments on the proposed deletion of land north of university of Kent Policy C12.

I agree with the deletion of Policy C12.

I agree with technical reasons for the change such as impact on an already under pressure transport network, destruction of ancient woodland and the SEE cost of demolition of Blean primary school. These same objections will apply for any similar development of this area in the future.

I would like to thank the councillors for listening to our concerns.

Yours faithfully
Kate Jain
