Dear Madam,

I am responding to the following question.

'Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?'

I agree with the deletion of this policy C12 from the local plan. I agree with the technical reasons for the change, the excessive impact on the road network, the unnecessary destruction of ancient woodland which can never be replaced, the cost-effectiveness of demolishing Blean primary school. The same objections can and should be used for any future developments in that area.

Thank you for listening to our very local and real concerns.

Thanks,

Helen Fitzwater.
