I am absolutely delighted to hear of the proposed deletion of policy C 12 . Land north of the university of Kent. The impact this could have had on local residents the road network and no extra medical facilities. I moved to my house in [REDACTED] when Rough Common Road was a country lane and now visit it .traffic speeding, the constant noise of heavy transport,coaches, farm vehicles and buses although as residents we have no bus route ! My name is MrsAnne Richards.I live at [REDACTED] [REDACTED] I am an elderly lady like many at [REDACTED] [REDACTED] and not computer literate so for me to send an email has taken a great deal of effort !
