Good morning

I am responding to the following question:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I wholeheartedly agree with the reasons given for the change especially in consideration of the road network and the primary school never mind an already with already poor drainage.

The same objections would also apply to any future proposals to develop this area.

We appreciate your consideration and listening to our pleas.

Kind regards

Laura Fletcher
