From Mrs Erina Carter [REDACTED] I am replying to the following question:- Do you have any comments on the proposed deletion of Land North of the University of Kent (Policy C12). I agree with the technical reasons given for the change-the impact on the road network , the destruction of the ancient woodland , and the cost effectiveness of demolishing Blean School. The same objections would apply to any possible future proposal for a large development in that location. I thank the councillors for having listened to our concerns.
Kind regards
Erina Carter
